CHELMSFORD, Mass., May 7, 2018 /[PRNewswire](#)/ -- Brooks Automation, Inc. (Nasdaq: BRKS), a leading worldwide provider of automated and cryogenic solutions for multiple markets including semiconductor manufacturing and life sciences, announced today that it will host its 2018 Analyst and Investor Day on Tuesday, May 22, 2018 in New York City. The conference will feature presentations by Chief Executive Officer, Steve Schwartz, Chief Financial Officer, Lindon Robertson, President of Brooks Life Sciences, Dusty Tenney and Senior Vice President & General Manager of Brooks Semiconductor Solutions Group, David Jarzynka.

A live webcast of the event will be available to interested parties on the Investor Relations section of the Company's website at www.brooks.com beginning at 9:00 AM ET and concluding at approximately 1:30 PM ET. The accompanying presentation and a replay of the audio webcast will be available on the website after the conclusion of the event.

About Brooks Automation, Inc.

Brooks is a leading worldwide provider of automation and cryogenic solutions for multiple markets including semiconductor manufacturing and life sciences. Brooks' technologies, engineering competencies and global service capabilities provide customers speed to market and ensure high uptime and rapid response, which equate to superior value in their mission-critical controlled environments. Since 1978, Brooks has been a leading partner to the global semiconductor manufacturing market as a provider of precision automation and cryogenic vacuum solutions. Since 2011, Brooks has applied its automation and cryogenics expertise to meet the sample storage needs of customers in the life sciences industry. Brooks' life sciences offerings include a broad range of products and services for on-site infrastructure for sample management in temperatures of -20°C to -150°C, as well as comprehensive outsource service solutions across the complete life cycle of biological samples including collection, transportation, processing, storage, protection, retrieval and disposal. Brooks is headquartered in Chelmsford, MA, with operations in North America, Europe and Asia. For more information, visit www.brooks.com.
