### **About Azenta Life Sciences**

Azenta, Inc. (Nasdaq: AZTA) is a leading provider of life sciences solutions worldwide, enabling impactful breakthroughs and therapies to market faster. Azenta provides a full suite of reliable cold-chain sample management solutions and genomic services across areas such as drug development, clinical research and advanced cell therapies for the industry's top pharmaceutical, biotech, academic and healthcare institutions globally. As of December 1st, the company changed its name and ticker to Azenta, Inc. (Nasdaq: AZTA) from Brooks Automation, Inc, (Nasdaq: BRKS).

In addition, the company operates the Semiconductor Solutions Group business, an industry-leading provider of semiconductor manufacturing automation and collaborative robotics solutions worldwide. On September 20, 2021, the Company announced the pending sale of this business to Thomas H. Lee Partners. Due to the pending divestiture, the Company began reporting the Semiconductor Solutions Group business as discontinued operations in its fiscal year-end earnings announcement.

Azenta is headquartered in Chelmsford, MA, with operations in North America, Europe and Asia. For more information, please visit [www.azenta.com](http://www.azenta.com).
